It was highlighted that the original article [1] contained an ambiguity in the citation of Reference 2 in the Results section. This Correction article shows the incorrect and correct sentence that includes this reference.

Incorrect sentence.

The literature review conducted in Phase 1 (Fig. 1) found eight different theoretical models for work ability [2] and two models for functioning.

Correct sentence.

In the literature review conducted in Phase 1 (Fig. 1) we found several different theoretical models for work ability and two models for functioning. In a recent Finnish review [2], eight models of work ability related to rehabilitation were identified. They are briefly described in the following.
