Correction: Does sexual Intimate Partner Violence (IPV) increase risk of multiple high-risk fertility behaviours in India: evidence from National Family Health Survey 2015–16

Milan Das¹, Csaba G. Tóth², Neha Shri¹, Mayank Singh¹ and Babul Hossain^{1*}

Correction: *BMC Public Health* 22, 2081 (2022)
<https://doi.org/10.1186/s12889-022-14289-0>

The original publication of this article [1] contained an error in the P-values in table 1 and 2, “<0.000” should be “<0.001”. This does not affect the conclusions/results of the article. The original article has been updated.
