Correction to: *BMC Public Health* 23, 795 (2023). <https://doi.org/10.1186/s12889-023-15729-1>.

Following publication of the original article, the authors identified an error in Fig. 1. The proportion of promoted ‘most unhealthy’ foods, the percentage of ‘beverages and foods with added sugar’ and ‘other foods’ were accidentally swapped. The correct figure is available in this correction article, the original article has been updated.

The online version of the original article can be found at <https://doi.org/10.1186/s12889-023-15729-1>.
