Correction to: Obesity, change of body mass index and subsequent physical and mental health functioning: a 12-year follow-up study among ageing employees

Anna Svärd^{1*}, Jouni Lahti¹, Eira Roos¹, Ossi Rahkonen¹, Eero Lahelma¹, Tea Lallukka^{1,2} and Minna Mänty^{1,3}

Correction

After publication of the article [1], it has been brought to our attention that obesity has been incorrectly defined in the parameters below Tables 2, 3 and 4. As already in Table 1, it should be defined as ≥ 30 kg/m². The original version of the article has been revised to reflect this.
