# Correction to: Effects of a multi-level intervention on the pattern of physical activity among in-school adolescents in Oyo state Nigeria: a cluster randomised trial

Mojisola Morenike Oluwasanu\* and Oladimeji Oladepo

## Correction

After publication of the article [1], it has been brought to our attention that there is an error in figure 1. The number of excluded secondary schools should read “50” and not “72”. The rest of the data in the figure is accurate.
